

AS-600 Series

Siren amplifier

Federal Signal Vama presents its new siren amplifier AS-600, the smallest of the Federal Signal Vama's range. R10 approved, multivoltage.

Thanks to the possibility of reprogramming the tones, it can be easily adapted to any market need, following the regulations of the different countries and applications.

COMPACT SOLUTION!

Only 42.5 mm and less than 400 gr!

COMPACT: Thanks to its small measures, the AS-600 siren amplifier can be integrated into a low profile lightbar.

REPROGRAMMABLE TONES: The tones of the AS-600 can be reprogrammed by FSVAMA and its distributors through an external communication program.

MULTIVOLTAGE: The AS-600 siren amplifier, is multivoltage (10V-30V), and it can be connected to any equipment.

VERSATILITY: The AS-600 stands out for its great versatility in the way functions are activated. Both in analog mode, through switches, as in digital mode (CANBUS) with the corresponding controlheads, combining the use of these with the vehicle's horn.

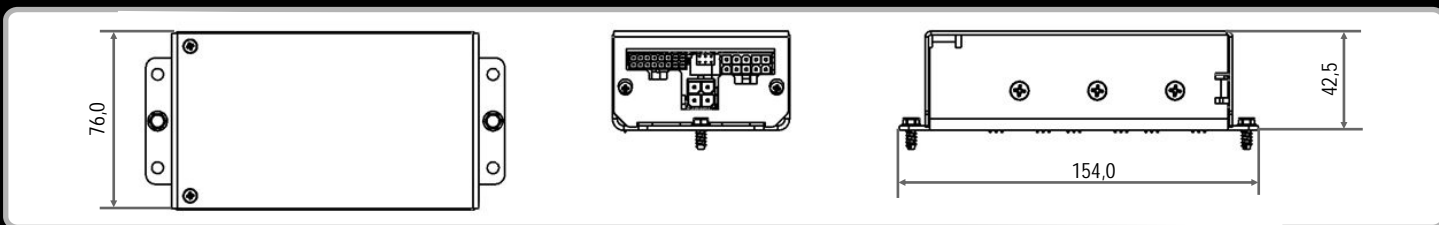

TECHNICAL SPECIFICATIONS	AS600
Input Voltage	10V-30V
Speaker power	100W
Light Output	4x5A
Auxiliary Output	1X5A
PAS (Public Address System)	Yes
Dimensions	154 x 42,5 x 76 mm
Weight	380 grs
Horn connection	Yes
Light lamp failure	Yes
Radiotelephone connection	Yes
Programmable tones	Yes
Tachograph	Yes
Day/night function	Yes
Lightbar function	Yes

CONTROL HEADS FOR CAN BUS OPTION:

Dimensions in mm:

HOW TO ORDER:

CAN BUS OPTION :

Siren amplifier AS-600	
2020297	100W Siren amplifier, without P.A., wiring harness, 10V-30V.
Cabling	
82441812	Cabling of 1 meter for AS600 CAN BUS
82441812-01	Cabling of 4 meters for AS600 CAN BUS
Public address	
	BCT2000
8235984AUD	Public address kit with remote control. Volume and microphone functions control for AS600 (for control head BCT2000) 12V
82351038AUD	Public address kit with remote control. Volume and microphone functions control for AS600 (for control head BCT2000) 24V
	BCT3000
8235984	Public address kit with remote control. Volume and microphone functions control for AS600 (for control head BCT3000) 12V
82351038	Public address kit with remote control. Volume and microphone functions control for AS600 (for control head BCT3000) 24V

ANALOGICAL OPTION:

Siren amplifier AS-600	
2020298	100W Siren amplifier, without P.A., wiring harness, 10V-30V.
Cabling	
82441813	Cabling of 1 meter for AS600 analogical
82441813-01	Cabling of 4 meters for AS600 analogical
Public address	
8235970	Public address kit with remote control. Volume and microphone functions control (for AS600 analogical Siren amplifier ref. 2020298) 12-24V
